Unique & Exciting Team Building Events

Why Choose Sailing?

There's no better environment to bring people together than out on the water. Sailing is immersive, invigorating, and incredibly fun – and best of all, it requires communication, cooperation, and trust, which fosters team cohesion, camaraderie and overall wellbeing.

Established in 1996 by Olympic sailor Matt Hayes, Sydney by Sail has helped thousands of corporate teams discover the thrill of working together under sail. We operate the **newest fleet of luxury yachts** on Sydney Harbour and specialise in team building programs that leave lasting impressions.

What Makes Our Events Unique?

-  No Experience Needed – Anyone can take the helm, trim the sails or simply enjoy the ride
-  Active Participation – Hands-on sailing encourages collaboration and communication
-  Flexible Format – Morning, afternoon, or twilight sails available, 7 days a week. Every event we facilitate is a blank canvas
-  Spectacular Location – Directly in front of the Australian National Maritime Museum
-  Customisable – Add catering, drinks, prizes, branded merchandise, or photographer/videographer

Steps to confirm an event:

1. 50% deposit on estimated attendance numbers - confirming date/time, duration & style of event.
2. Consider catering, beverages, pickups/drop offs and really any customisation you can think of!
3. Final attendance, catering/beverage order & pickup/drop off locations due along with Final Balance 21 days prior to event.
