

HANSE 460

PREMIUM YACHT SHARE

SYDNEY HARBOUR | WHITSUNDAYS | 3 YEARS

THE NEXT GENERATION OF PERFORMANCE CRUISING

Sydney By Sail & Performance Cruising Yachts are proud to introduce a premium Yacht Share program aboard the stunning Hanse 460 - one of the most exciting luxury performance cruisers available.

Designed in Germany & engineered for serious offshore capability, the 460 blends elegant European styling, easy short-handed sailing & exceptional onboard comfort. The yacht is highly specified for Australian conditions, making it the ideal platform for both Sydney Harbour sailing and extended cruising along the East coast.

Our premium syndicate offers the rare opportunity to enjoy ownership of a 46-foot luxury cruising yacht without the full cost or management burden of ownership.

A Lifestyle of Two Iconic Destinations

The Hanse 460 offers owners the unique opportunity to sail between two of Australia's most iconic cruising grounds. From October to May, the yacht will be based at Jones Bay Wharf Superyacht Marina in Sydney, providing effortless access to Harbour sailing, Pittwater weekends and sunset anchorages.

During the winter months, the yacht can relocate to the Whitsundays, where owners can enjoy up to four weeks of tropical cruising between June and October, exploring crystal-clear waters and world-famous island anchorages. All logistics and relocation will be fully managed, enabling a seamless ownership experience.

HIGHLIGHTS OF THE HANSE

PERFORMANCE | COMFORT | EFFORTLESS CRUISING

This Hanse 460 is exceptionally well specified for **performance, comfort and effortless cruising**. The yacht features a full ELVSTRØM performance sail package, upgraded sail handling systems and an upgraded 80hp saildrive engine, with bow and stern thrusters for easy manoeuvring.

Navigation is handled by a comprehensive Raymarine offshore electronics suite, including dual AXIOM2 PRO chartplotters, radar, autopilot and AIS.

Onboard comfort is equally impressive, with three-zone air conditioning, generator, inverter system and diesel heating, making the yacht ideal for extended cruising.

The spacious cockpit is designed for entertaining, with dual electric tables that convert to sunbeds, a fold-out swim platform, stainless sprayhood and bimini, while the interior showcases a luxurious French Oak finish, a generous owner's cabin with private ensuite, convertible saloon and an upgraded galley with additional refrigeration.

FULLY MANAGED OWNERSHIP

We have been delivering premium sailing experiences on Sydney Harbour since 1995, and our yacht share programs provide a smarter, simpler way to enjoy luxury yacht ownership. Each owner benefits from:

- Professional yacht management, including berthing, insurance, fueling, detailing, servicing, linen service, gas refill & more
- Factory warranty support
- Dual phase booking process, including wishlist and 24/7 online booking system
- Complimentary sail training
- Plus much more
